Re: Off-Site Rule Acceptability Determination
United Waste Water Services
OH MIL-233

Dear Mr. Weber:

This letter is in reply to the September 11, 2003 letter to Mr. William Damico regarding the United Waste Water Services request for off-site rule acceptability.

Pursuant to 40 C.F.R. § 300.440 (a) (4), my staff has determined that no relevant violations or releases currently exist at United Waste Water Services. Therefore, United Waste Water Services located at 11807 Reading Rd., Cincinnati, Ohio is acceptable to receive non-hazardous wastes from CERCLA sites.

The acceptability determination is based on the assumption that only non-hazardous waste for which United Waste Water Services is properly permitted will be shipped to this facility. It is your responsibility to review any proposed waste streams for compliance with the permits for your facility.

If you have questions, please contact Mr. Damico at (312) 353-8207, United States Environmental Protection Agency, Region 5 – DE-9J, 77 W. Jackson Boulevard, Chicago, Illinois 60604.

Sincerely yours,
